Dulles to Fly To London to Review Talks

WASHINGTON (AP)—Secretary of State John Foster Dulles will fly to London this weekend to get a "personal review and judgment" of the current disarmament talks, the White House announced today.

The White House said Dulles was making the trip at President Eisenhower's request.

Its statement said the President considers the problems under discussion in London "of such importance as to require the secretary's personal review and judgment."

Press Secretary James C. Hagerty emphasized that Dulles' trip was not an "emergency" visit, and said the secretary's participation in the disarmament talks was no "reflection" on disarmament negotiator Harold E. Stassen.

Hagerty said it simply was felt that Dulles could better make a review of all problems now under discussion at first hand instead of in an exchange of cables.

Dulles, who is spending the weekend in Canada, will leave Ottawa Sunday night, arriving in London Monday.

Hagerty said it was not certain how long Dulles will remain in London. But he said his stay is not expected to last longer than "a few days."

Hagerty also emphasized that the sudden Dulles trip was not associated with any "new developments" or with a possible new United States proposal to the drawn-out disarmament conference.

Hearings Concluded

House Committee Chairman Says Smokers Waste Money on Filters

WASHINGTON (AP)—The chairman of the House subcommittee which has just completed an investigation of cigarette filters said today smokers "have been wasting their money" buying filter-type varieties.

Rep. John A. Blatnik (D-Minn.) said smokers "might just as well be smoking the old unfiltered cigarettes."

Blatnik said his House subcommittee's inquiry showed smokers are getting just as much tar and nicotine from the new filter-tip cigarettes as from the regular-size plain-tip variety. But he said smokers are paying close to 200 million dollars a year extra for filter tips.

Moreover, he told the United Press, advertisers have spent hundreds of millions of dollars during the last four years to promote filter-tip cigarettes, but smokers got a better tobacco for less money with the old unfiltered variety.

Blatnik's government operations subcommittee Friday concluded six days of hearings on filter tips and the cigarette smoking-lung cancer controversy.

Blatnik said he believes "people will go on smoking" despite reports that cigarette consumption is a cause of lung cancer.

But he expressed confidence a

"way out" can be found to give them better health protection. One way, he said, would be to find some agent that would "neutralize" substances in tobacco tars believed responsible for causing lung cancer.

Another way, he added, would be through use of tobacco producing less tars and development of better filtering processes.

Blatnik said he believed the subcommittee's hearings produced the "most comprehensive cigarette-can story it was possible to get."

He said he plans to distribute his report to every high school, college and medical school library in the country.

The subcommittee heard conflicting testimony from medical men on whether cigarette smoking contributes to lung cancer.

Both Blatnik and Rep. William E. Marshall (R-Ohio), a subcommittee member said they felt none of the witnesses had "refuted" a Public Health Service report showing a relation between smoking and lung cancer.

Blatnik disclosed that one result of the hearings was that he has switched from "excessive" to "moderate" cigarette smoking.

He said he used to smoke nearly two packs a day, but now has cut down to slightly less than one.

Area Law Enforcement Meeting Held at Harrisburg Elks Club

Group of 89 Persons Represent Shawnee Division of Illinois Police Association

State, county and city law enforcement officers from 17 southern Illinois counties attended the monthly meeting of the Shawnee division, Illinois Police association, held Friday night in the Elks lodge at Rathskeller.

A total of 89 was on hand for the fish dinner and program from the following counties:

Saline, Williamson, Jackson, Union, Pulaski, Washington, Randolph, Franklin, Massac, Jefferson, Perry, Johnson, Pope, Hardin, Gallatin, Hamilton and St. Clair.

The Shawnee division is one of nine divisions in Illinois with a total membership of 17,000 officers in the state. The group meets every

month in a different county.

Sam Garnati, Shawnee division president who presided, said the aim of the organization is for officers to get better acquainted, develop co-operation and to exchange ideas. Harrisburg city policemen and the Saline County Sheriff's department joined the IPA Friday night.

Discuss Problem Child

After the officers were welcomed to Harrisburg by Police Chief Ross Lane, Donald B. Meyer, of the Illinois Department of Public Welfare's Institute for Juvenile Research, spoke about the child who is a problem to law enforcement officers.

Declaring he knew there were cases where the only thing to do is to send a youth to a training school, he said there were others where the child guidance clinic could get them back on the right track, giving actual southern Illinois cases.

"We would like to get to these kids early enough that something might be done to help them," he stated. "When you know a kid is heading for a problem, you can come to us and get assistance."

In urging law-enforcement officers to take advantage of the service, he gave the procedure when his department is called in.

"When you refer a youngster to us, a representative of our office will come and write a history of the child and what can be done in the community for the boy or girl."

Then the youngster is taken to a clinic for a psychiatric examination by an expert who comes down from Chicago to do the job. He stressed the importance of cooperation by parents.

Next meeting of the Shawnee division will be at Murphysboro Aug. 22.

Funeral Services 3 p. m. Today for Miss Sally Guard

The funeral of Miss Sally Guard, 68, who died in the Lightner hospital at 11 a. m. Friday, will be held at 3 p. m. today in the First Methodist church. She had been seriously ill for three weeks.

Miss Guard made her home at 115 West Poplar street, where she lived with Mrs. T. R. McCormick and cared for her. Born in Saline county March 17, 1889, she was the daughter of the late James T. and Nancy Ellen Guard. She was a most faithful member of the First Methodist church where her funeral will be held, with the church pastor, the Rev. W. L. Cummins, officiating.

The body will lie in state at the Gaskins funeral home until funeral time, and following the services will be taken by motor hearse to Detroit, Mich., to be interred in the Evergreen cemetery of that city.

Survivors are her sisters, Mrs. Elizabeth Moss, O'Neill, Neb., and Mrs. Nellie Gibson, Detroit, Mich., and one brother, Ezra Guard of Harrisburg.

Seeks Top Teamster Post

Hoffa's Hat in Ring

CHICAGO (AP)—Teamster Vice President James R. Hoffa today began what looked like a bandwagon ride to the union's top post, soon to be vacated by Dave Beck, and announced his willingness to combat any opposition AFL-CIO leaders may throw at him.

Hoffa, 44, fresh from an acquittal by a federal jury on charges he conspired to plant a spy on the Senate Rackets Committee, threw his teamster cap in the ring Friday before more than 800 cheering union officials.

In Seattle, Wash., retiring President Dave Beck had legal problems of his own. He pleaded innocent to a grand jury indictment charging him with grand larceny. The indictment charges Beck with selling a Teamsters' Union automobile and pocketing the money. Beck's son, Dave Beck Jr., will be arraigned on similar charges next Tuesday.

Presenting his platform, Hoffa read a statement of policy which pledged the Teamsters to support the AFL-CIO on such matters as the operation of union health-welfare funds, and the ouster of racketeers, Fascists and Communists from the trade union movement.

"I for one never want to leave voluntarily the AFL-CIO," Hoffa said. "However, I don't want any inference to be left that we are willing to sacrifice the autonomy of our international union. Better we should fight while we are strong than realize while we are weak that we should have fought."

Vote Will Be Close

Eisenhower Opposition to Jury Trial Amendment Gaining Ground

WASHINGTON (AP)—President Eisenhower's unyielding opposition to a jury trial amendment to the civil rights bill appeared today to be gaining results.

Informed sources said Republican leaders are confident of swinging enough GOP senators back into the administration camp to defeat the Democratic-sponsored amendment.

Senate GOP Leader William F. Knowland (Calif.) told Republican senators Friday the President stood fast against the jury trial provision.

Senate Democrats supporting such an amendment also appeared equally certain of victory on the issue. But both sides agreed the vote will be a close one.

Southern Democrats issued thinly veiled warnings they would filibuster any rights bill which does not contain a jury trial amendment. They are supporting a compromise under which anyone accused of criminal contempt for denying court-ordered protection of voting rights would be assured a trial by jury.

Eighteen Republicans deserted administration forces Wednesday when the Senate by a 52-38 vote killed a much disputed section of the bill to equip the government with injunction powers to prevent civil rights violations generally.

Twenty-five GOP senators sided with the administration. GOP sources said party leaders believe 35 to 37 Republican senators will line up with the administration on the jury trial issue. This would be a gain of 10 to 12 votes.

Other congressional news: Narcotics: The House Ways & Means Committee has approved a bill imposing government controls

on the manufacture of synthetic drugs to curb illegal traffic in narcotics. The measure would require manufacturers of narcotic drugs to secure a government license and be subject to federal production.

Scribner: The Senate Finance Committee has approved President Eisenhower's nomination of Fred C. Scribner Jr., to be undersecretary of Treasury. Scribner, now an assistant secretary, will replace Chapman Rose, who resigned.

Pay Raises: Rep. Joel T. Broyhill has begun a drive to secure prompt hearings by the House Rules Committee on a bill giving 950,000 white collar and administrative government employees an 11 per cent pay boost. The Virginia Republican said House Civil Service Committee members are being asked to approve the hearings over the objections of Chairman Tom Murray. Murray said he opposed the bill, approved by his committee, "until we see what happens on the postal pay bill" granting a pay raise of 518,000 postal workers of up to \$546 yearly.

English, Broughton, and Mrs. Dorothy Livingston and his brother, Guy Westbrook, both of Winterhaven. The funeral will be held at 2 p. m. Sunday in Winterhaven and burial will be there.

Slayer Commits Suicide After Fatal Shooting

Vice President Gonzalez-Lopez Assumes Presidency

GUATEMALA CITY (AP)—An assassin shot and killed President Carlos Castillo Armas inside the presidential palace Friday night.

Officials identified the slayer as Romeo Vasquez Sanchez, a palace guard alleged to be a Communist. He committed suicide immediately after killing the president, officials said.

Castillo Armas was slain as he was going into the dining room of the palace with his wife.

Police said papers found on the assassin disclosed he had long been a member of the Communist Party.

Early this morning, first Vice President Luis Arturo Gonzalez-Lopez assumed the presidency.

The cabinet decreed a state of siege (a modified form of martial law) throughout the country.

Gonzalez-Lopez said all those responsible for the "dastardly action" will be punished severely.

He indicated others might be implicated in the assassination. The new president told United Press his government would maintain and keep up the anti-Communist and democratic policies of Castillo Armas.

Gonzalez-Lopez was sworn in shortly before 5 a. m. at an emergency cabinet meeting.

Shortly afterward he issued a proclamation urging the Guatemalan people to keep calm "in the face of the national tragedy."

Probers Ask Gov't Check On Union Leader

WASHINGTON (AP)—Senate investigators today asked the Justice Department and Internal Revenue Service to look into the affairs of a theater-loving labor leader charged with spending \$11,411 of his union's money for tickets to hit Broadway shows.

Chairman John L. McClellan (D-Ark.) of the Senate Rackets Committee sent the two departments copies of the testimony of Lloyd Klenert, secretary-treasurer of the United Textile Workers Union, after the committee accused Klenert of misusing \$101,963 of union funds for his personal benefit.

He also dispatched as the basis for possible prosecution the testimony of union President Anthony Valente, who was accused by investigators of misusing \$26,442.

Investigator Alphonse F. Calabrese testified Friday that Klenert spent \$2,564 for tickets to the hit musical "My Fair Lady." He said this was spread over 24 visits to the show.

Calabrese said Klenert charged \$14,107 worth of c.o.d. packages to his union-paid hotel bills, including such items as a \$25 corkscrew, a \$566 color TV set, expensive clothing for himself and his wife, and \$40 worth of trampoline lessons for Mrs. Klenert.

He said Klenert socked the union for \$18,391 worth of rooms at some of America's swankiest resort hotels for himself and family and more than \$3,600 worth of airline fare to and from the resorts.

Klenert contended the personal items were bought with a special \$6,500 a year expense fund which the union gave him from 1948 until last November.

Committee Counsel Robert F. Kennedy argued that the union's executive board voted Klenert and Valente their fund in 1948 in lieu of raising their salaries and per diem expenses to \$15,000 a year—a wage bracket they reached soon thereafter.

Air Force to Slow Production Of Four Types

WASHINGTON (AP)—The Air Force has ordered a slowdown in production of four of its most important types of supersonic fighter planes.

The move apparently was a money-saving one.

Aircraft involved are the F101 day and all-weather fighters produced by McDonnell Aircraft Co., St. Louis; the F104 jet fighter produced by Lockheed, Burbank, Calif., and the F106 all-weather interceptor produced by Convair, San Diego, Calif.

The Air Force said Friday night it had notified the companies of "certain changes in future production rates" and that it believed the slowdown would not cause reduced employment.

A spokesman added that the stretch-out will mean an additional year will be needed to complete present contracts for the aircraft. The biggest effect will be felt in fiscal 1959 which starts July 1, 1958.

In no case, the spokesman said, will production rates be cut lower than they now are and total number of planes planned is not expected to be reduced.

The school closed with an enrollment of 106 and the school met the requirements for a Standard Vacation Bible school. Highest attendance was 127 with a daily average of 94. Prizes for best decorated bicycles in the parade preceding the school were won by Gwen Tate, first; Linda Adams,

second. A picnic for the pupils and faculty was held on the last day of the school. The pastor and principal, the Rev. C. E. Russell, wishes to thank everyone who assisted in any way to make the Bible school a success.

Indiana Humane Society 'Kitty' Outgrows Needs

INDIANAPOLIS — The Indianapolis Humane Society today sought a way to divert some of the funds from its overflowing "kitty" to the assistance of human beings on grounds the animals are already well taken care of.

The Humane Society's "problem" began 22 years ago when Miss Mary Powell Crume left 285 shares of stock in International Business Machines Corp. to the group. Worth \$35,000 at the time, the stock has gone up in value to three quarters of a million dollars.

Miss Crume, however, stipulated in her will that the money be used for the care and protection of animals.

Representatives of the society went into court Friday and asked permission to apportion some of its money for the care and protection of "desperate" human beings.

"We have checked on the problem of grossly inadequate nursing homes," Society President Archie Kuopila said, "with the idea in mind of considering establishing some kind of home for elderly people."

The group also asked Marion Probate Court for legal sanction to a program that includes setting up an animal hospital and providing scholarships for potential veterinarians.

A collapsible 250-pound helicopter that can be dropped by parachute and assembled by one man has been designed for the Navy.

'Gideon--Combating Paganism'

Judges 6:25-32
GOLDEN TEXT: "Thou shalt
have no other gods before me."
(Exodus 20:3)

INTRODUCTION — During the
period of the Judges in Israel's
history it is quite interesting to
note that the spiritual life of the
people came in cycles. That is,
they would drift off into sin and
idolatry, after which God would
have to send punishment. The peo
ple would repent and confess, and
God would forgive and set a right
eous judge over them. They would
then drift back into sin and idol
atry, and God would again send
punishment.

Gideon was one of the thirteen
Judges during this period. One
needs to study the first five chap
ters of Judges to get the back
ground for this lesson.

I ISRAEL IN SIN (6:1-6)
One wonders at the love, patience
and long-suffering of God in deal
ing with His own followers. It is
most fortunate for His children
and for all nations that He is so
patient.

Israel had just undergone one
terrible siege of punishment for
their backsliding. Under Barak
and Deborah they were delivered
and began enjoying blessings from
God. Would you believe it? They
fell to sinning and worshipping
Baal again. God strengthened the
Midianites and caused them to cap
ture Israel, and for seven long
years they had to suffer enslave
ment. He promised them deliv
erance. God, as always, had a man
ready to serve as their deliverer.
II GIDEON—A HUMBLE
SERVANT (6:11-23)

The people of Israel could not
have anything of their own. The
Midianites robbed them of posses
sions. Here we find Gideon hid
ing in a pit beating the grain out
with a stick. He was hiding from
the Midianites. While down in
this pit he was visited by an angel
of the Lord.

God called Gideon a "mighty
man of valor." Gideon thought
of himself as being "least," suit
able to serve God. This is the
kind of person that God can use.
He was humble. Gideon put out
the fleece to make sure of his

calling. God is always patient
with those who are sincere. He
is impatient with the proud and
haughty.

CONCLUSION (24:32)—The pa
gan god had to be torn down from
the altar before the nation could
be blessed. The same is true in
the individual's life. "You can nev
er be blessed, and have peace and
sweet rest, until your all on the
altar is laid!" God can only bless
you as you give Him first place in
your life.

Gideon's father had fallen into
the sin of idolatry. He built up
an altar to the pagan god, Baal.
It fell Gideon's lot to destroy this
altar. He cut down the grove
nearby and the altar. This altar
and Baal had come to claim first
place in the lives of most of these
people. Therefore the altar had
to be destroyed.

Please note how Gideon's father
came to his defense when the peo
ple wanted to put him to death.
This shows that he was a good
man, and that he actually knew
that Gideon was right.

Gideon was a man full of faith
and courage. He struck hard
against sin and false gods. It would
be a splendid thing if more of our
people today would stand up and
be counted for Christ's sake.

MY PRIVATE MOVIE

There was a day last summer that I keep tucked away in the
back of my mind, like a miniature mental movie all my own.
Sometimes, when other days aren't quite as bright as this one
was, I take it out and reel off a private showing.

It was a Sunday. We'd been to church, Lee and the three
children and I. Then we went home and packed up a big picnic
lunch and took it down to the creek. It was one of those perfect
summer days poets have written about. Everything tasted
better than it could possibly have been. When we'd finished
eating, the kids sailed their boats while Lee and I stretched
out on the grass and looked up in the blue, silk sky, all dotted
with fleecy white clouds.

We didn't say anything, but I know that we were both thank
ing God for all the blessings he'd bestowed on us. I know that
we were feeling, just then, particularly peace with ourselves,
and with the universe. I was thinking, too, of our kids as they'd
come out of Sunday School that morning, with their bright
faces glowing, and I gave a silent vote of gratitude to my
parents for having raised me in the Church. Now I was able,
in turn, to pass on this priceless heritage to my own children.

In this high pressure, jet-propelled age we're living in, we
need so much to guide our children in the right way. Without
the aid of the Church I, for one, would be at a total loss—
and that afternoon I realized it, with particular emphasis.
I suppose, when you come right down to it, we really didn't
do so much, that Sunday. But it was a day that left me with
a feeling of family unity, of togetherness . . . I shall never
forget.

Sometimes, when things are "at sixes and sevens," a parent
needs to take time out to remember just how precious a family
is. Whenever I find myself in danger of forgetting—I just
dust off my movie and live that Sunday all over again, to
myself.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest fac
tor on earth for the building of
character and good citizenship. It
is a storehouse of spiritual values.
Without a strong Church, neither
democracy nor civilization can
survive. There are four sound
reasons why every person should
attend services regularly and sup
port the Church. They are: (1)
For his own sake. (2) For his
children's sake. (3) For the sake
of his community and nation. (4)
For the sake of the Church itself,
which needs his moral and ma
terial support. Plan to go to
church regularly and read your
Bible daily.

Only One College Draft Test Yearly

WASHINGTON (AP)—The Selective
Service system said today that col-
lege draft deferment tests will be
cut from three to one a year be-
ginning with the 1957-58 year.

Scores on the tests are used by
local draft boards for considering
requests by college students for
draft deferments to enable them
to continue their studies.

Average Weight May Hit 370 in Thousand Years

MACINAC ISLAND, Mich. (AP)—
If people keep eating the way they
do, the average North American
man may weigh 370 pounds within
the next thousand years.

This glimpse at the year 2957
was given by Don R. Grimes,
president of the Independent Gro-
cers Alliance, in a speech pre-
pared for delivery at the annual
meeting of the National Macaroni
Manufacturers Assn.

"If the people on the North
American continent continue to in-
crease their intake of food and
show an increase in weight as they

have consistently done since 1870,
within the next thousand years
the average woman will weigh 348
pounds and her spouse will weigh
370 pounds," Grimes said.

Grimes said the height of the
average male now is 5-foot-10 and
predicted the figure will jump to
6 feet in 60 years.

"In a thousand years from now,
scientists tell us, the height of the
average man will be 9-foot-2 if this
growth continues," he said.

Grimes also had some figures
on milady's waistline. He said the
average increased from 24 1/2 to
25 1/4 inches since 1870.

"But I'm not going to tell you
what the projection on this waist-
line is for a thousand years from
now," he said.

Second to Cotton

In Memoriam

In loving memory of Mrs. Nell Justice, who passed away one year ago today, July 27th.

Deep in our hearts lies a picture. Worth more than silver or gold. A picture of our dear mother, Whose memory will never grow old.

Sadly missed by husband, children and grandchildren. 25-1

In Memoriam

In memory of David Leon Shelton, who passed away one year ago today, July 27.

His smiling way and pleasant face. Are a pleasure to recall; He had a kindly word for each. And died beloved by all.

Some day we hope to meet him. Some day, we know not when. To clasp his hand in the better land.

Never to part again. Before the throne of God. Thousands of children stand; Children whose sins are all forgiven.

A holy, happy band. Up there among the throng. Our little David stands.

Waiting for us to join him. In that holy, happy land. One year has passed since that sad day.

When one we loved was called away; God took him home—it was His will; Within our hearts he liveth still. Sadly missed by mother, dad and sisters. 25-1

Braves Maintain Lead with 6-3 Win Over the Giants; Cards Defeat Pirates, 4-3

By United Press

Milwaukee's injury-riddled lineup has more patches in it than an old inner tube and the only reason the Braves were still atop the National League today was a 32-year-old "retread" named Nippy Jones.

Jones, the ex-Cardinal brought up from the minors last week as first base insurance for injured Joe Adcock, paid a whopping dividend Friday night when he clouted a three-run homer in the 11th inning for a 6-3 victory over the Giants.

It was only Jones' second hit in 12 trips since the Braves obtained him from Sacramento of the Pacific Coast League but it served to protect Milwaukee's half-game lead over the challenging Cardinals, who defeated the Pirates, 4-3, in 10 innings.

Skinny Gene Conley, who pitched hitless ball after relieving starter Lew Burdette in the ninth inning, was the winner for Milwaukee in a game marked by five homers. In addition to Jones' homer, Ed Mathews also connected for the Braves while Hank Sauer, Ruben Gomez and Ed Bressoud hit circuit blows for the Giants. Red Schoendienst of Milwaukee extended his batting streak to 23 consecutive games.

In other National League games, Cincinnati defeated Brooklyn, 6-5, in 11 innings and the Phillies beat the Cubs, 3-1, in 10 innings.

Chisox Move Up
Jim Bunning of Detroit limited the Yankees to two hits in beating them, 3-2, and cutting their American League lead to three games over the second-place White Sox, who split a two-night double-header with the Orioles. Baltimore won the opener, 5-2, and Chicago the nightcap, 1-0.

The Red Sox mauled Cleveland, 10-1, as Willard Nixon held the Indians to eight hits, while Washington climbed to within a game and one-half of seventh place with a 3-2 triumph over Kansas City.

Alvin Dark's looping single with the bases loaded in the 10th inning kept the Cards right on the Braves' heels and handed Pirate reliever Ronnie Kline his 15th setback of the season. Pittsburgh took a 3-0 lead off Lindy McDaniel but St. Louis tied the score

with three runs in the fifth on Ken Boyer's homer, Ed Kasko's double and Don Blasingame's homer. Willard Schmidt, who relieved McDaniel in the sixth, registered his ninth victory.

Reliever Hersh Freeman doubled off Roger Craig in the 11th and rode home on Johnny Temple's single for the run that beat Brooklyn. The Redlegs rallied for five runs in the fifth inning with the aid of homers by Ed Bailey and Gus Bell but the Dodgers tied the game with two runs in the eighth and two more in the ninth. Elmer Valo homered for Brooklyn.

The Phillies rallied for two runs in the 10th inning as Warren Hacker beat his former Cub teammates for his sixth victory. Philadelphia registered the deciding runs on Ed Bouchee's double, an error by reliever Turk Lown, and a single by Harry Anderson. Bob Rush dropped his 11th game.

Mantle Hits No. 27
Bunning had a no-hitter going until Yogi Berra led off the seventh with a triple and then scored on a sacrifice fly. The only other hit off the Tiger right hander was Mickey Mantle's 27th homer in the ninth inning. Bob Turley, the loser, gave up only four hits, the Tigers scoring what proved to be the winning run in the fifth on Bill Tuttle's triple and Al Kaline's infield single.

The selected all-star teams will be listed in the Daily Register Friday, Aug. 2.

No Smoking

Miteff Scores 7th Round TKO Over Mederos

WASHINGTON (AP) — Julio Mederos, an ex-stevedore from Havana, Cuba, who is an expert at taking punishment from both, declared today that Argentina's unbeaten Alex Miteff "is just about as good" as heavyweight challenger Tommy (Hurricane) Jackson.

The 22-year-old Miteff "made a believer" of Mederos Friday night when he scored a seventh-round technical knockout over the Cuban at the Capitol Arena. Mederos went 10 rounds with Jackson last year but never had a chance with Miteff and lost all six rounds.

Referee Ray Bowen halted the slaughter just before the bell sounded for the seventh round after Mederos lurched virtually through the ropes at the conclusion of the sixth session. Miteff's relentless pounding had cut Mederos under the left eye and puffed his right eye almost closed.

Miteff, who weighed 202 1/4 to his opponent's 197 1/2, made a human punching bag of Mederos from the opening bell and almost stopped him in the first round.

There were no knockdowns but Mederos was "out" on his feet at the end of the round and never was able to take the offensive during the scheduled 10-round.
